

# **BOB MACAULEY**

**Bob Macauley had a huge impact on the development of the “new” Sisters High School, after the absence of a community high school for 25 years. He was instrumental in the opening of the Sisters Middle/High School in 1992, starting as a coach and instructor, then serving as SHS assistant principal starting in 1998, and ultimately becoming SHS principal in 2002. He continued to serve as principal of Sisters High School through 2011, when he then became principal at Glencoe High School in the Hillsboro, Oregon School District. Coach Macauley also was head football coach from 1992 through 2011 (with a short gap during 2008) and built the program from the ground up into an Oregon powerhouse, leading the team to state championships in 1998 and 2000. He was named Oregon football coach of the year four times. During his tenure as coach and principal, Bob helped to establish and promote relationships that resulted in the community overwhelmingly embracing and supporting the Sisters schools. He also helped establish fundraising programs, such as the Outlaw Open, that have raised hundreds of thousands of dollars for the schools. However, while Bob strived for success in the classroom and on the playing fields, he was most concerned with the building of teamwork and the character of each individual – a true “maker of men and women.”**
