

DR. LEONARD LANGELIERS

Leonard L. Langeliers, O.D. was a model student and athlete, while also serving our country. Dr. Langeliers graduated from Sisters High School in 1957 after starring in the classroom and on the athletic fields. He was a student representative his freshman and junior years, and was student class president his senior, while also becoming a member of the Honor Society. He was a varsity letter winner all four years on the football field as a running back (elected as co-captain his senior year and leading the team with upwards of 12 yards per carry). On the track, he held the SHS records in the 100 yard dash, and in the high and low hurdles, and going to the state championships in 1957. That season, he went undefeated in the low hurdles and won the state championship, while also placing 4th as a member of the 880 relay team. On the baseball field, he lettered four years playing outfield and first base, and was on the 1956 team that was runner-up in the state title game. After high school, Dr. Langeliers attended Pacific University and then served in the United State Army for 22 years, reaching the title of Lt. Colonel. Dr. Langeliers later became an optometrist with an office in Sisters and then Bend, Oregon. In his “spare” time, he played senior softball for 25 years.
