

JERRY BALDOCK

Jerry Baldock (Special Contributor). Energy, Heart, Smile. Jerry is recognized around Sisters Country for his smile, his cap, and his camera, but his contributions for the betterment of the Sisters School District run far and wide. Jerry (with his wife, Marlene) came to Sisters in 2008 and immediately made an impact. Jerry's mission was to make a difference in young people's lives, all in memory of his son Brian. Jerry has taken over 200,000 photos of students, coaches, parents, and members of the community at thousands of SHS, SES, SMS, and other community events, such as sporting events, graduations, plays, musicals, scholarship celebrations, science fairs, showcases, and other special events. The photos are available for purchase with all the net proceeds going to the Sisters School District. He also has found time to volunteer with Habitat for Humanity, earning the Sisters Habitat 1000 Hour Award in 2020. Jerry also received the Sisters Chamber of Commerce President's Award in 2018. Professionally, Jerry has been lead photographer for dozens of other events in Sisters since his arrival to Sisters, including the Sisters Rodeo, Sisters Quilt Show, and the Sisters Rhythm & Blues Festival. When Jerry sees a need, he attempts to fill it. Thus, Jerry was instrumental in the founding of the Outlaw Booster Club and the Outlaw Hall of Fame. Jerry and Marlene define what it means to be an Outlaw.
